Consent for Registration and Release of Immunization Records to Authorized Persons / Entities

I understand that, by granting the consent below, I am authorizing release of my immunization information to DSHS and I further understand that DSHS will include this information in the Texas Immunization Registry. Once in ImmTrac2, my immunization information may be accessed by: a Texas physician, or other health care provider legally authorized to administer vaccines...

State law permits the inclusion of immunization records for First Responders and their immediate family members (older than 18 years of age) in the Registry. A "First Responder" is defined as a public safety employee or volunteer whose duties include responding rapidly to an emergency. An "immediate family member" is defined as a parent, spouse, child, or sibling who resides in the same household as the First Responder.

Please mark the appropriate box to indicate whether you are a First Responder or an Immediate Family Member.

Consent checkboxes: I am a FIRST RESPONDER, I am an IMMEDIATE FAMILY MEMBER (older than 18 years of age) of a First Responder.

By my signature below, I GRANT consent for registration. I wish to INCLUDE my information in the Texas immunization registry.

Signature fields: Individual (or individual's legally authorized representative), Printed Name, Date, Signature.

Privacy Notification: With few exceptions, you have the right to request and be informed about information that the State of Texas collects about you. You are entitled to receive and review the information upon request.

# Prevaccination Checklist for COVID-19 Vaccines

For vaccine recipients:

The following questions will help us determine if there is any reason you should not get the COVID-19 vaccine today.

**If you answer “yes” to any question, it does not necessarily mean you should not be vaccinated.** It just means additional questions may be asked.

If a question is not clear, please ask your healthcare provider to explain it.
